CAREER HISTORY & ACCOMPLISHMENTS

BSN, RN - Measures Quality Improvement Specialist

Oklahoma Foundation for Medical Quality, Oklahoma City, OK

2012 - Present

- Quality Improvement Specialist in the Measures Team. I have excellent communication skills, which enable me to interact with the Inpatient Team, VTE Technical Advisory Panel members, the Joint Commission, and CMS for measure development and maintenance at OFMQ. My experience as a practicing RN has provided me with expertise in assisting with the development of literature reviews that support and provide guidance on current and new measures for the inpatient team. I currently hold a Bachelor's of Science in Nursing from Oklahoma City University and I am working on my Masters of Science in Nursing.
